COURSE(S) SELECTED FOR AUDIT MODE

CRN	COURSE SUBJECT	COURSE NUMBER	SECTION

Please note, courses selected for Audit mode are still charged the tuition amount as a course selected as taken for credit. Additionally, if a course is required for degree requirements and is selected as Audit, the course may need to be repeated in order to meet the degree requirement.

Processed by:	Date

**Note: Additional Charges apply for registration hours above 17.** Please refer to the Business Office website for more information on tuition and fees. You are required to register and maintain a minimum of 12 credit hours to be considered a full-time student during regular semesters (fall and spring). Please note that students are strongly encouraged to register for at least 15 credit hours in all regular semesters to make progress toward graduation in four years. Please consult with your advisor to ensure that your course selections progress you toward your anticipated degree.
